- **We need all club members, family and friends to help out for the events we host in Brixham (highlighted in yellow) so please reserve the dates even if you don't want/expect to row.**
- Most Championship events (in blue) have a limit on crew numbers so we will be entering our top crews only
- Unfortunately we don't know which race categories club regattas will have until they send us the invitations. Most now have juniors, open (A&B), vets and supervets, some also have novice or open C and masters
